CenterLine Becomes Gold Standard Winner

Windsor, Canada, March 9, 2017

CenterLine (Windsor) Limited is pleased to announce that, as a winner of Canada's Best Managed Companies program in 2013, it has successfully retained its status and become a Gold Standard winner in 2017.

This prestigious national award is sponsored by Deloitte, CIBC, Canadian Business, Smith School of Business and MacKay CEO Forums.

“It’s much more than just financial performance,” said Peter Brown, Partner, Deloitte and Co-Leader, Canada’s Best Managed Companies program. “The ingredients to success also include overall business performance and sustained growth. It takes dedication and commitment from the entire organization.”

CenterLine congratulates its outstanding world class staff for its continued dedication to excellence and thanks its many valued customers and suppliers for their contributions to this wonderful achievement.

About CenterLine

CenterLine (headquartered in Windsor, Ontario) is a Canadian based, privately held, corporation specializing in advanced automation processes and technologies that satisfy resistance welding, metal forming and cold spray application needs. It is established internationally with manufacturing and service support facilities situated in the USA, Mexico, Brazil, Germany, Romania, India and China which help support our customer's international operations. With over 60 years of business experience, CenterLine continues to develop technologies and processes that assist our customers in maintaining their competitive advantage.
