

## Accessing Documents on the CenterLine® Website

The Website contains:

General Public Documents only (these documents are also available under the "Product Documentation" tab on the CenterLine<sup>®</sup> Documentation Portal. See page 2).

1. To access the CenterLine<sup>®</sup> website, go to: www.cntrline.com →

Then, choose one of the following:

**3.** <u>Related Documents</u> are at the bottom of the page, (after general product information).

2. Click on the "<u>Support</u>" tab, then choose "<u>Documentation</u>" from the list.

 Scroll down the list and click on the desired document. The <u>documents</u> are grouped by categories of products.
